

GYAN SHALA 2012-13
Education Support Organizations

MISSION

1. To evolve a total system solution-model for school education that deliver quality education on a large scale.
2. To find such schooling policies and solutions that would allow children from poor families to attend the school regularly without fear or apprehension.
3. To find such schooling policies that would allow first generation learners from poor families to match the learning levels of children from higher socio-economic categories.
4. To minimize and try to eliminate gender based inequalities in school attendance and learning attainments.
5. To develop organizational capacity to implement the program at a substantial scale, in many geographies, so as to directly impact the education of large number of children, and to establish that the new solutions are not merely a one-off demonstration units but a policy option to be considered by adoption by the Government and others, on a large scale.
6. To generate credible evidence of the program impact through commissioning of independent assessment of program performance.
7. To join the process of informing the overall policy-program formulation by the Government in the area of school education.
